Description:

The Morse Property consists of two houses on the south side of Norwood Road in the Cloverly vicinity, Montgomery County.

The first structure, constructed circa 1920, is a 1½-story, 3-bay side-gable cottage. The house is T-shaped in plan, consisting of the side-gable structure with a rear addition. The roof is covered with asphalt shingles and an interior brick chimney is located at the west end. The house is of wood-frame construction with asbestos shingle siding, and it has a molded concrete block foundation. The windows are wood 6/6 double-hung and the house has a shed roof porch on the front elevation. The porch has two wood posts and a simple wooden railing.

The second house is a front-gable cottage located south of the first cottage. The cottage has an asphalt shingle covered roof, wide aluminum siding, 6/1 double-hung windows and a stuccoed foundation. Constructed circa 1930, the structure is of wood-frame construction with a shed roof front porch on the north elevation. The front porch has been enclosed with grooved plywood panels.

There is one outbuilding associated with the property. The structure is a side-gable, wood-frame garage. Constructed circa 1920, the garage has an asphalt shingle roof and wood siding. The garage has bays on both the east and west elevations. It is located south of both residences.

The property is located on the south side of Norwood Road, with residential property to the east and west, open space to the south and agricultural land to the north. The structures are approached from Norwood Road by a driveway which runs south onto the property. The driveway passes the main house and the cottage on the west side, and terminates at the west elevation of the garage. The property's setting is suburban and unaltered from its original character.
